Hello Local Business!

DID YOU KNOW? Beach volleyball is the fastest growing NCAA sport in the country!

iBeach31 is a new beach volleyball venue which opened in April of 2018, located on the southwest corner of US 31 and SR 32 in Westfield. After two years under our belt, we had over 8,000 players and spectators play in and watch leagues, tournaments, camps, clinics. iBeach31 features six brand new, professional grade, outdoor beach volleyball courts and offers adult and junior leagues, camps, clinic, and tournaments, along with public free play and rentals. We recently partnered with the professional AVP America and P1440 which has put Westfield, IN on the map for national beach volleyball competition. We brought the beach to Indiana!

Future plans include a new 20,000 sq. ft building with 5 additional indoor beach courts to become the “only” indoor beach volleyball facility in the Indianapolis area. The plans also include a 21 and over bar along with healthy food options for all ages.

We are looking for businesses like you to partner with us to help us realize our potential and to help drive more business to you as a sponsor. As a platinum sponsor, your business will be featured on our sand court fencing, which is **visible to over 30,000 drivers each day**, viewable from both north and south US Route 31. In terms of numbers, we have adult league play five nights per week with a maximum of 200 teams, up to six players per team – that’s **over 8,000 players** for the season not including summer camps, clinics, and professional and amateur weekend tournaments!
